## 3rd Quran Recitation 2023

And before finishing

Some reasons that prevented some participants from accepting and winning their works :

- 1- Not complying with the names of the axes.
- 2- The similarity of the pictures in several sections and for the same subject and place.
- 3- not accurate horizontal line.
- 4- Sharpness, clarity and quality of images (even for mobile phone).

وقبل الختام

الملاحظات التي حالت دون قبول وفوز بعض المشاركين:

- ١ - عدم التقيد بمسميات المحاور.
- ٢ - تشابه الصور في عدة محاور ولنفس الموضوع والمكان.
- ٣ - خطأ في خط الأفق.
- ٤ - الحدة والوضوح وجودة الصور (حتى لو من الجوال).
